Dear WESD Families and Staff,

I have mentioned many times that we cannot do all of what needs to be done without you and our partners. You go the extra mile to support our schools and we are so very grateful. Last Saturday, volunteers from our neighbors, Pure Heart and Calvary Church, participated in a spring Love Our Schools Day at Abraham Lincoln, Cholla, Desert Foothills, Ironwood, Sahuaro and Sunburst where they joined together in campus beautification projects. Another partner, Mountain Ridge Church volunteers were at Washington for the Love Our City program painting outdoor sensory paths. This week, Fiesta Bowl Charities unveiled a completely refreshed staff lounge at Alta Vista. This morning, Suntec Concrete employees delivered classroom supplies to their children's teachers. This extra support means so much to our administrators, teachers and staff. From the bottom of my heart, thank you for your time, generosity and love. I will mention it again, we cannot do this without you.
