April 9, 2020

Dear WESD Family,

Thank you for your patience and understanding as we navigate this fluid situation. We have some updates this week regarding:

- Resources for families;
- A change to the Grab and Go breakfast and lunch program;
- Chromebook dissemination;
- Field trip refunds;
- KidSpace information
- Athletics

Resources for Families

We know that many of our families are struggling during these challenging times. The Web site, **arizonatogether.org**, provides many resources for families including mental health, employment, financial assistance, community resources and options for Internet access, to name a few.

The Web site, **211arizona.org** also provides resources for families including clothing, housing, health and dental, support groups and family services. The WESD Social Services Department, including school social workers, are available remotely through email, available on school Web sites, and will be checking voicemail regularly if you need assistance.

Grab and Go Meal Program Change

Since the Grab and Go program began March 23, we have provided more than 101,325 meals to our WESD community. We know that many rely on this service and we enjoy seeing students and families daily. However, for the health and safety of our families and Nutrition Services staff, the Grab and Go program will be available once a week. Students will continue to receive five breakfasts and five lunches. **There will be no food distribution on Monday, April 13. Beginning Tuesday, April 14, meals will be provided every Tuesday from 10:00 a.m. to noon at the 13 locations listed below.**

If you have questions about the Grab and Go Meal Program, please email Nicole Augustine at Nicole.augustine@wesdschools.org or call 602-896-5240.
