How to Log in to a Chromebook at Home

Do this first! (you should only have to do this part one time)

	Email Address	Password
How it works	The part before the @ symbol is your The part after the @ symbol is wesdschools.org	first and last initials, then a hyphen, and then their 8-digit birth date for a total of 11 characters, <i>all in lowercase</i>

Here's an Example
