

Benchmark Advance is our Language Arts/Reading program. We have spent the last four weeks learning about routines and procedures. We have reviewed foundational skills, built a community of learners and fostered independent thinking and reading. Next week we will begin Unit 1. This unit is titled **Plants and Animals Have Needs**. We will be focusing on letters **Mm** and **Aa**. Our high frequency words will be **I** and **like**.

**IReady Math** is our newly adopted program which
