to students who are

and should not leave it unattended. If a student does not have a backpack, the school will provide them with one.

Restroom Usage

To ensure an optimal learning environment and minimize disruptions during instructional time, our school-wide restroom policy is as follows: Each quarter, students receive 10 passes for each block class and 5 passes for each single period class. It is the responsibility of the student to keep track of their passes and keep them in a safe location in their backpack. Emergency situations should be brought to the attention of the health office or administration.

Cell Phones, Headphones, and Ear Buds

cell phones, headphones, and ear buds. These items must be kept INSIDE BACKPACKS during the school day and students should not have them in their pockets. Students are not allowed to use cell phones, headphones, or ear buds on campus from 7:55 a.m. to dismissal; therefore, they will be confiscated if being used during school hours. If a student needs to contact their parent, they may use the phone in the student center. The first time a device is confiscated, the student will have to use GHQV
