
Welcome to Moon Mountain School, home of the Coyotes!

At Moon Mountain, we are proud of the school atmosphere we have created to challenge our students and to meet their individual needs. We strive to create a learning climate that encourages student achievement and fosters a positive learning community.

Our goals of academic excellence and providing students with a nurturing environment can become reality when staff and families work together in an atmosphere of communication. Look for current school information on our school website, our school Facebook page, in our monthly newsletter, and in the *Go-Home* folder, your child will bring home weekly.

We invite you to become actively involved in your child's education. Please consider joining our site council, PTSA, along with volunteering in your child's classroom. Contact your child's teacher if you are interested in the volunteer opportunities at Moon Mountain.

Thank you for your ongoing commitment to the Moon Mountain community! Feel free to contact me regarding any concerns or questions you may have.

Stay kind,
Dawna Dohogne, Principal
